

SHARKFEST '13

Wireshark Developer and User Conference

NAP-15 Understanding Wireshark's Reassembly Features

Christian Landström - Senior Consultant
CASSIDIAN Cyber Security

Play along

Live: Use your wireshark, capture your own traffic, then analyze it together with the rest of the audience (**RECOMMENDED**)

Sample: Use your wireshark to analyze a copy of a pre-captured session available on cloudshark

Online: Go to cloudshark and view the trace there

<http://www.cloudshark.org/captures/9679667335c0>
